reNEw NE and finance

Our policy on finance is very simple. We do not want anyone to be unable to attend any event because of finance. We are committed to engaging in fundraising and aim to keep the prices of events as low as possible.

What does this mean in practice?

It means people pay what they can and they apply for a grant for the balance. Working with local children's group and youth leaders we hope to raise the necessary finance to make sure that everyone who wants to attend can do so.

Why have an instalment scheme?

For may spreading the cost of an event over a period of time means that they are more likely to be able to make a contribution—even when they can't pay the full amount. Being able to pay weekly or monthly helps spread the cost

How does it work?

1. Book a place on the event either online or with a form.
2. Decide what your total contribution to an event is. Y
3. Decide how you will make your contribution—this can be weekly or monthly .
4. Either deal directly with reNEw NE or you arrange the instalment scheme with your local children's or youth leader connections.

To start the process complete the form on this leaflet.

reNEw NE Instalment plan Summer 2020

Name of event

(Please complete an online or paper booking before completing this form)

Full name of child/ young person attending

Name

I can make a contribution of £..... to the total cost of the event.

I would like to pay this contribution **weekly/monthly**

The regular contribution I will make is £.....

Name

Signed Date

Once completed please return this form to

EITHER: your local children's/youth leader. Write their name below.

Children's /Youth Leader

OR send the form to reNEw Holidays 2020,

c/o 14 Carlington Walk, Newcastle upon Tyne, NE13 9AN.
