SUMMER 2020

An opportunity for those in year 10 & above to
serve on local mission teams with reNEw NE

What is 'Join the Crew'?

reNEw NE wants to help young people use and develop their skills. We believe that young people have both a lot to contribute and a lot to learn from being involved in local mission activities with younger children. **'Join the Crew'** is our new summer holiday scheme to invest in young people

As part of **'Join the Crew'** you will join a community spending some of your summer holidays as part of one or more teams.

Opportunities include

- working on a holiday club team with a local church,
- being part of a community mission
- serving as part of a **reNEw** residential holiday team.

You can be involved in more than one event during the summer.

Who is it for?

Anyone in year 10 and above can apply to **'Join the Crew'**. What is needed most of all is a willingness to serve. You will grow in faith and be stretched as you put your faith into practice.

What will I do?

You will join a team running an event - specific responsibilities will depend on the event but will include practical tasks behind the scenes as well as being involved in delivering the programme. Training will be given before the summer and everyone will be supported as they get involved in service opportunities. At the end of the summer there will be a celebration event to share all that we have done together and give thanks to God.

What will it cost?

We are asking all of those who take part to contribute £30 towards the cost of food and training. We hope that your church or individuals will be willing to sponsor participants. The actual cost is much more than this so if you are able to contribute more just ask.

How do I sign up?

Send an e-mail to volunteer@renewne.org.uk the following information: Name, address and contact phone number and the dates you are available and we will get in touch.

or complete the form over the page and send it back to us.

You will then have an interview and a reference will be taken up before we accept you on the scheme.
